Enjoy free admission to the “Washed Ashore: Art to Save the Sea” exhibit located throughout the 14 acres of the Garden. This exciting exhibit features 10 giant sea life sculptures made entirely of marine debris collected from beaches to graphically illustrate the tragedy of plastic pollution in our oceans and waterways and to encourage conservation and sustainability. For more information on Washed Ashore visit the website [www.washedashore.org](http://www.washedashore.org)
