Lake Worth Lagoon Initiative Symposium

Integrating Science, Restoration and Outreach

May 15, 2013

Palm Beach Atlantic University, West Palm Beach, FL

OVERVIEW

This one-day symposium will highlight progress made over the past five years towards understanding, restoring and enhancing the Lake Worth Lagoon ecosystem and chart the course for continuing improvements. The draft 2013 Lake Worth Lagoon Management Plan Update will be available for public review and comment during the symposium. The symposium will provide an opportunity to:

- Define the state of the Lake Worth Lagoon
- Share current research, monitoring, and restoration results
- Identify threats, data gaps, and restoration needs
- Foster collaboration

Upcoming

- Nov. 15 – Follow up with Sec. Vinyard's re: Keynote
- Nov. 28 - Symposium Planning Meeting at PBAU
- Dec. 15 - Symposium Presentation Proposals Due
- Jan. 29 – Public Outreach Working Group Meeting
