Celebrate Lake Worth Lagoon

A free, fun family-friendly festival held in conjunction with the West Palm Beach Green Market on the waterfront.

The 2014 LagoonFest is a community celebration to showcase the many “faces” of Lake Worth Lagoon and to highlight the lagoon’s connection to our lives. People of all ages are invited to discover a local treasure – Lake Worth Lagoon, Palm Beach County’s largest estuary – by exploring nearly 50 exhibits at LagoonFest.

Enjoy live music, hands-on exhibits, wildlife viewing, children’s activities, mock manatee rescue, water sports and more.
